Read this right now

The Case for Reparations

Two hundred fifty years of slavery. Ninety years of Jim Crow. Sixty years of separate but equal. Thirty-five years of racist housing policy. Until we reckon with our compounding moral debts, America will never be whole.

By Ta-Nehisi Coates

The latest from Carolyn

Carolyn Hax: Getting past a husband's hurtful stand on family finances and shared burdens

His parents live with him and his wife, but they chip in nothing even as the family faces a loss of income.

May 22, 2014

YOU LOOK PRETTY GOOD FOR A CAUTIONARY TALE.

Still not sure how I got here
